SERVICES

Sclerotherapy \$150/\$90 per treatment
Injection treatment of cosmetic leg veins.

Neuromodulators (eg Botox™)
\$10 per unit, usually starts at 25 units
Frown lines, forehead lines and crow's feet are commonly treated with these cosmetic facial injections. The skin can be numbed for treatment with a topical anaesthetic cream.

Hyaluronic Acid Fillers
\$575 (1cc syringe), \$380 (1/2 cc syringe), \$1050 (2 cc's)
Fillers are hyaluronic acid gels that are injected under the skin to improve skin folds such as the Marionette lines, soften lip lines, augment the lips or volumize the cheeks.

IPL (Intense Pulsed Light)
Starting at \$85, full face \$325, price varies with the area treated
IPL treatment is a light-based treatment for facial veins, sun spots, cherry angiomas and rosacea. A series of IPL photorejuvenation treatments for the full face stimulates collagen and gives the skin a youthful luminosity.

Skin Tyte \$250
Skin Tyte treatments are useful for mild to moderate skin laxity, particularly in the jowl area, using a light-based device. The light causes heating of the dermis for firmer, tighter skin.

Combination - Skin Tyte/IPL \$450
Full face IPL photorejuvenation with tightening of the jowls/neck.

Cryotherapy Starting at \$50 for a single lesion
Freezing benign lesions such as skin tags, seborrheic dermatoses and some sun spots.

SERVICES

Skin Care Consultation

Marie will help you navigate the complicated world of skin care products and recommend appropriate skin care for your particular skin care concerns. She will also provide a consultation regarding all of the following professional skin care treatments.

Complimentary

Customized Facials \$95

Facials have great benefits to the skin by exfoliating, hydrating and deep pore cleansing. Facials can be customized for acne, rosacea, sensitive skin, dry skin or for hyperpigmentation. They are also stress-reducing and provide some lovely pampering!

Facial Add-Ons:

Refining Clay Mask + \$15, Enzyme Retexturizing Treatment + \$15
Complimentary facial with the purchase of \$195 of skin care products within 3 months of purchase.

Chemical Peels \$150, Package of 3 – \$375

Application of a solution that loosens the connections between skin cells inducing exfoliation and stimulating new cell growth – revealing a smoother, more radiant complexion. Chemical peels are also useful in the treatment of acne and hyperpigmentation. Peels can be formulated for all skin types. There is minimal downtime with today's chemical peels.

Microneedling Full Face \$275, Package of 3 – \$750

Microneedling creates thousands of tiny micro wounds that trigger the body's own healing to stimulate remodelling. It is useful to improve the appearance of fine lines, acne scarring, uneven pigmentation, melasma and some scars. There is little downtime with the procedure.

Add neck + \$50, Add hands + \$50, Add neck & décolleté + \$150

All services performed by Marie are under the supervision of Dr. Sharon Gilpin.
